Dear Business Executive:

The Chicken BBQ Committee at Prestige Gymnastics would like to thank you for being a possible donor/sponsor for our Annual Chicken BBQ to be held at Stauffers of Kissel Hill, 301 Rohrerstown Road, Lancaster, PA 17603, on Saturday, August 12, 2023.

Your donation/sponsorship means a great deal to our dedicated and hardworking athletes. They practice many hours a week in the gym in order to compete at a very high level. Our female gymnasts range in age from 6 to 18 years old and compete at progressively more difficult levels of gymnastics (Levels 2 through 10). Our male gymnasts range in age from 7 to 18 years old and compete at progressively more difficult levels of gymnastics (Levels 3 through 10). Females competing in our newly formed Acrobatics and Tumbling program range in age from 5 to 18 years old and compete at progressively more difficult levels (Mini, Youth, and Junior). Some have gone on to compete in the National arena and others on to collegiate scholarships. Below is just a sampling of their accomplishments:

- Prestige is home to numerous **Sectional, State, Regional, and National Team and Individual Champions.**
- Prestige is always proud of our athletes who have gone on to college with either **Full Gymnastics, Acrobatics and Tumbling, and/or Academic Scholarships.**

Prestige Gymnastics was established in 1992. The GPIB, the team's Booster Club, was established in 1993 and operates as an independent, non-profit 501(c)(3) organization whose primary role is to give families the opportunity to raise some of the funds required to cover the high cost of competition.

Kindly consider supporting this wonderfully talented group of dedicated young athletes in their quest for success. Remember, all or part of your donation/sponsorship may be **tax deductible** (Tax ID #: 23-2696488).
