

Prestige Gymnastics Annual Chicken BBQ Fundraiser

Date: Saturday, August 12, 2023

Time: 7:00AM – 3:00PM (Sale Period 10:00AM – 2:00PM)

Location: Stauffers of Kissel Hill – Rohrerstown Road

Cost: \$14/Meal

Please e-mail or call Jaime Gehres, jsg17@comcast.net or (717) 989-1965, if you have interest in selling tickets. If you're interested in getting donations/sponsorships, please sign up using the provided SignUpGenius link below. If you're interested in working the day of the Chicken BBQ **(only if at least one ticket booklet (15 meal tickets) is sold and \$100 in donations/sponsorships are obtained)**, you'll be able to sign up at a later date using another SignUpGenius link.

*****From June 16th to June 23rd, please contact Des Houck at (717)989-2980, as I'll be on vacation at the Outer Banks.**

In order for the Chicken BBQ to take place, a minimum of 500 tickets have to be presold, which is only 34 ticket booklets. **In 2022, 696 tickets were presold and 236 tickets were sold the day of the event.** I know we can sell a lot more!

The estimated profit is about \$5 per dinner, which depends on the amount of tickets sold, donations/sponsorships obtained, chickens resold that aren't picked up by 1:30PM, and extra chickens made and sold the day of the event. **In 2022, participants received \$5.06 per dinner, and the highest ticket selling family (60 tickets) that also worked received \$509.71 into their son's/daughter's account.**

If you're interested in selling tickets, you'll be given a ticket booklet (15 meal tickets). You will be responsible for all 15 meal tickets. Again, if you want a ticket booklet(s), please e-mail or call me (see above for contact information) with the quantity of booklets, your name and

son's/daughter's name and level, and I'll place them in an envelope in the Chicken BBQ folder at Prestige. Once all tickets are sold, please submit your payment, **cash or check made payable to GPIB**, in an envelope into the Chicken BBQ folder at Prestige. Please remember to put your payment in an envelope and write your name and your son's/daughter's name and level on the front. **All payments are due on Friday, August 4, 2023.**

There are two levels of participation. When e-mailing or calling me (see above for contact information) with your interest in participating, I need to know which level you plan to pursue. The more you participate, the higher your profit will be. Please see below.

- **Level 1: Selling at least one ticket booklet (15 meal tickets)**
 - **Estimated profit: About \$5 per ticket sold**
- **Level 2: Selling at least one ticket booklet (15 meal tickets), obtaining donations/sponsorships of \$100, and working the Chicken BBQ**
 - **Estimated profit: About \$5 per ticket sold**
 - **Plus, an equal split of the profit from day of sales/walkups**

This is a great idea for a family meal and to make money for your son's/daughter's account too. Whoever you sell the tickets to are responsible for picking up their own meals. You can also pick up all of the meals and deliver them yourself. It's totally up to you. As stated on each ticket, **we reserve the right to resell presold meals not picked up by 1:30PM.**

Please e-mail or call me (see above for contact information) with your interest as quickly as possible, so we can start selling tickets and soliciting donations/sponsorships. Before acquiring donations/sponsorships, you must sign up on SignUpGenius (see below for the link) and indicate donor's/sponsor's name in the comment section, so we don't duplicate our efforts. **Please don't forget to provide a donation/sponsorship letter for tax deductible contributions. Companies and families who donate will be listed on a poster and on a flyer, which will be given with each meal. All donations/sponsorships are due on Friday, August 4, 2023. For donations, please e-mail or call me (see above for contact information) to arrange a pick-up time at Prestige.**

Here is a list of donations/sponsorships on SignUpGenius. The goal is to obtain enough donations for 1,000 meals and/or gift cards to be used to offset the cost of purchasing any needed items. **Just a reminder, donations will be used to eliminate the spending of money, which will increase everyone's profit, and sponsorships will be used to offset the cost of the chicken, which will increase everyone's profit as well.**
