

How can I **not** register my child for a meet?

Our meet schedule is planned by Jen Fatta (owner) and the team coaches every year. Attending the scheduled competitions is mandatory for all team members. You will get a meet schedule in the spring or summer prior to the competitive season and it is your responsibility to mark your calendars accordingly so that your gymnast is available to compete in her competitions. You'll quickly learn that although we know the weekend of each competition, we never get the final meet schedule until approximately 2 weeks prior to the scheduled meet. You must keep the weekend free (usually Friday to Sunday - yes sometimes they will compete on Fridays) until you know the day/time your gymnast will be competing.

If, for any reason after looking over the meet schedule, you know that your gymnast is unable to attend a scheduled competition due to a prior commitment or personal reasons, you must let Kevin Pope and Sarah VanderPlate know by September 1<sup>st</sup>. Your commitment fee amount will not be discounted or refunded but we will make sure that your gymnast is not entered in the roster. In the event that your gymnast has a significant injury requiring them to miss a large portion of their season, please reach out to Jen Fatta to discuss meet registrations.
